1. It is the list of the most popular hotels in Poznań – some hotels were not included in the list – we got a direct information that they are fully booked for the conference period so the only chance is to book them via the Internet Tourist Portals. It is highly recommended to book the hotel as quick as possible.
2. Because of the fact that the UNDERSTAND Final Conference is combined with INFOSYSTEM – ICT Fair the first hotel night (21-22 June) may have a higher rate.
